Your Duty to Take Reasonable Care Not to Misrepresent also applies to the renewal.

At time of Renewal, You or Your broker or Your Lease Company will be sent a link, to the email previously provided by You, to review Your Policy online and make any alterations where necessary.

### **Coverage**

The Novate Plus Commercial Motor Insurance Policy provides the following cover:

- Section 1 for loss or damage to Your Vehicle; and
- Section 2 for loss or damage to third party property and bodily injury.

For full details of Your coverage, definitions, extensions, benefits, Sum Insured, sub-limits, exclusions and conditions refer to Your Policy documents (as set out under the heading 'Your Policy').

### **Telematics App and/or Data Logger**

We encourage the use of the Telematics App and/or a Data Logger recommended by Mercurien to help improve Your driving, assist in assessing Your claim or application for Policy renewal.

If the Telematics App is provided by Mercurien, it is provided at no extra charge to your Policy.

The cost of an approved Telematics Data Logger, if provided by Your Lease Company, is not included as part of the Premium.

The Telematics App and/or Data Logger need to be accessible in a digital form for Mercurien to validate the Vehicle is being driven in a safe manner, provide driver coaching feedback, to assist with claims management and for Policy renewals.

At the time of a claim, if the approved Telematics App and/or Data Logger is installed and utilised whilst You are driving, the Standard Excess as listed in Your Schedule will be reduced by \$400.

We allow a 30-day period from the commencement of Your Policy for the approved Telematics App and/or Data Logger to be installed and to be in use. If a claim occurred within this initial 30-day period the Standard Excess as listed in Your Schedule will be reduced by \$400.

Additionally, You agree to allow Mercurien and Assetinsure to review the data from the Telematics App and/or Data Logger about Your Vehicle to help improve Your driving, assist in assessing Your claim or application for renewal.

### **Policy Costs**

The Premium varies depending on the information We receive from You about the risk to be covered.

The Premium is calculated taking into account certain factors including:

- a) the type of Vehicle;
- b) Sum(s) Insured;
- c) Your claims history.

The total Premium also includes amounts payable in respect of government taxes and charges such as Stamp Duty (SD) and Goods and Services Tax (GST).

### **How to Pay Your Premium**

Your Premium is payable by monthly instalment only, which is calculated as 12 equal monthly payments.

Regardless of which day in the calendar month the Period of Insurance commences, You will be liable to pay the monthly instalment amount in that particular month.

There are no additional fees charged to You for the Premium being paid in monthly instalments.

### **Our Agreement**

After You have paid or agreed to pay the Premium, including any subsequent endorsement Premiums, cover begins once We have confirmed in writing the start date of the cover (including any changes to the cover We agreed to provide You) and We will insure You against loss, damage or legal liability as provided by Your Policy from an event which occurs during the Period of Insurance. Your Policy sets out Our agreement with You. Your Schedule sets out the cover which applies. Any cover provided in the Policy is subject to terms, conditions, limits and exclusions of the Policy.

### **GST and Taxation**

We show all taxes and charges as separate items on Your Schedule.

GST refers to the goods and services tax which is the subject of A New Tax System (Goods and Services Tax) Act 1999 (Cth).

The Premium on this Policy includes an amount for GST and if We pay a claim, Your GST status may determine the amount to be paid on the claim.

You must advise Us if You are registered, or required to be registered, for GST purposes, and You must, when requested, tell Us what Your entitlement to input tax credits (ITCs) is for Your Premium.

When determining the amount to be paid for a claim under this Policy, any payment or supply We make to You for the acquisition of goods, services or other supply (or monetary compensation in lieu thereof) or otherwise for Your claim, will be calculated on the GST inclusive cost of Your claim.

In calculating such payment, We are entitled to reduce it by any ITC to which You are, or would be, entitled:

- a) for the acquisition of such goods, services or other supply; or
- b) if the payment had been used to acquire such goods, services or other supply.

However, the total of all payments We make will not exceed the limit of cover, limits and/or sub limits of liability, or other monetary limitation imposed or created by the Policy.

The limit of cover, limits and/or sub limits of liability, or any other monetary limitations are inclusive of any taxes, levies, duties or charges that the payment would be affected by or subject to.

If You make a claim and We are obliged by law to withhold any amount from the payment in order to satisfy that law (for example, because You have not provided Your ABN where required to do so), the amount withheld will be treated as forming part of the claim payment paid under this Policy (even though You have not received the withheld amount).

### **Claims**

If You would like to make a claim under this Policy, please:

- Visit Mercurien website: [www.mercurien.com](http://www.mercurien.com) and select a claims form; or
- Use the App to register and lodge the claim; or
- Call 02 8123 6902 (Assetinsure claims team).

This document sets out Your obligations and the process to be followed when You need to make a claim under the Policy. It is vital that You comply with these requirements to the best of Your ability, as it may have an impact on Our liability for Your claim if We are prejudiced.

### **Excesses**

When You make a claim, an Excess applies. The standard Excess is stated in Your Schedule.

Other Excesses, as stated in any of Your Policy documents, which may apply are:

- a) Age and Inexperienced Driver Excess;
- b) Imposed Excess;
- c) Off-Road Excess;
- d) Windscreen Excess.

### **Cooling-Off Period**

If You change Your mind about this Policy after Your decision to purchase it (including a renewal), and You have not made a claim or an event has not occurred that could give rise to a claim, You can cancel the Policy within fourteen (14) days of the start of Your cover by notifying Us in writing at [support@mercurien.com](mailto:support@mercurien.com). You will receive a refund of the Premium paid (less any taxes, duties and fees We are not able to recover).

A target market determination for this Product can be obtained at:

- [www.assetinsure.com.au/key-policies/partner-tmd/](http://www.assetinsure.com.au/key-policies/partner-tmd/)

### **Electronic Communication**

We may send Your Policy documents and Policy related communications electronically. This will be by email and/or other types of electronic communication methods. Policy documents and Policy communications will be provided to You in this way until You tell Us otherwise or We tell You it is no longer suitable. You will need to provide Us with Your current email address and Your Australian mobile phone number. Any communication we send to You will be deemed to have been received at the time transmission is completed, except where the communication is not sent out during normal business hours or on a day other than a business day, in which case, the communication is deemed to have been given on the next business day.

### **Your Duty to Take Reasonable Care Not to Make a Misrepresentation**

You have a duty to take reasonable care not to make any misrepresentation when entering into, varying, extending or renewing the Policy.

This means that it is essential that You respond honestly, and to the best of Your knowledge, to specific questions that We ask including where We ask You to confirm or update information that You have previously given to Us when entering into, varying, extending or renewing the Policy.

To assist You with providing Us with honest and accurate responses to any questions We ask of You, We have endeavoured to ensure that any questions We ask are clear and easy to understand. If You are unclear of any particular question or would like Us to explain it to You, please get in touch with Us.

In determining whether You have fulfilled this duty to take reasonable care not to make a misrepresentation to Us, We will consider all of the relevant circumstances of a particular case.

If You do not respond honestly and accurately to specific questions that We ask, We may (acting reasonably) cancel Your Policy or reduce the amount We will pay You if You make a claim, or both. It is therefore vital that You be honest and specific in Your responses. If Your failure to tell Us is fraudulent, We may refuse to pay a claim (in part or in full) and treat the Policy as if it never existed (this does not mean that We will refund any Premiums that You have already paid).
